Kick-Start Your Success

Monday 11th & Tuesday 12th January

Welcome to Kick-Start Your Success! We are very excited to have you with us for the two days of this programme. Please read through this guide carefully before the first session at 10:00 on Monday 11th January.

You will find the timetable on the pages below, as well as the location for each session! Here are a few tips to make the most of your Welcome Week:

- **Make sure you can log in to your Heriot-Watt account once you have completed online enrolment. If you have any issues, contact ishelp@hw.ac.uk.**
- **This is a hybrid programme, some sessions will be delivered in-person by presenters, while others will be live-streamed.**
- **You can attend in-person sessions and watch live-streamed ones from the same location, the Cosy Corner of the Learning Commons.**
- **Don't be late to the sessions as this can be disruptive for those already in them.**
- **We will share all relevant materials with you, including PowerPoint presentations, on the Kick-Start Your Success Canvas site.**

Finally, we would appreciate if you could take 5 minutes to complete the feedback form to share your thoughts on Kick-Start Your Success after you've attended the programme! Your input is valuable to us and helps us improve.
