1. INTRODUCTION				
	This Procedure, which is part of the Supporting Family Life suite of procedures, sets out guidance on how to request and notify the University of your paternity leave; the time off; and returning to the University at the end of your paternity leave.			
2. PROCEDURES FOR PATERNITY LEAVE				
	How to apply Please complete a Paternity Leave Application form (see forms at the end of this document) and submit it to the HR helpdesk no later than the Qualifying Week or, in adoption cases, when the placement date is known. If you are taking the leave in two blocks, you are required to also give 4 weeks' notice prior to each period of leave. The University will formally respond in writing to your Paternity Leave Application form within 28 days, confirming the relevant start and end dates of paternity leave and pay You should also inform HR and your department of the actual date of birth as soon as possible (as this is the earliest paternity leave and pay can begin). For babies born or placed in adoption on or after 6 April, you may take either 2 one-week blocks or one two-week blocks at any time up to within 12 months of the birth or placement. Returning to Work The University expects you to return to work after your paternity leave block(s), unless you agree a further period of leave (e.g. annual leave) with the University prior to you commencing paternity leave. If you wish to consider Shared Parental Leave as an option instead of or as well as paternity leave, please see the Shared Parental Leave Procedures on the HR Policy Web Page under Family Friendly Policies. Recording Paternity Leave on Cloud ERP The HR Team will record your paternity leave absence on Cloud ERP.
