Notes: ALP = Study with an Approved Learning Partner

IDL = Study by Independent distance learning

Student numbers include students registered on degree courses who were active in the HESA defined reporting year from 1 August 2010 to 31 July 2011.

At July 2011 an additional 3,800 students, not accounted for in the above figures, had commenced study with Edinburgh Business School but had not yet applied for matriculation to the full degree course. Of these students approximately 2,400 were IDL students with the remainder studying with an ALP. The School therefore had approximately 10,000 active students in total.

The census date for graduate first destinations is 6 months following graduation

'Employed' includes those due to start employment within the next month. 'Other' includes those who are not available for employment because of travel, family commitments, health or other reasons
