Notes

This report is published annually. Suggestions for future enhancements are welcome. Please direct any comments or enquiries to the Secretariat:

Lorna Kirkwood-Smith, Tel: 0131 451 3631, Email: L.A.Kirkwood-Smith@hw.ac.uk or
Lisa Herlihy, Tel: 0131 451 3738, Email: L.Herlihy@hw.ac.uk

Student numbers information is extracted from a 'snap-shot' of the student database at a census date in early December each year.

The report is available on the staff section of the University's web home page at <https://www.hw.ac.uk/documents/annual-statistics.pdf> and is included in the University's Freedom of Information Publication Scheme at: <https://www.hw.ac.uk/about/policies/foi.htm>

More detailed reporting may be available from contributing sections. Contact details are provided below.

October 2016

CONTACTS

Academic Registry and Student Services:

Jean Campbell, Management Information Analyst, Ext: 3383, Email: J.M.Campbell@hw.ac.uk

Nick Thow, Director, Careers Advisory Service, Ext: 3392, Email: N.W.Thow@hw.ac.uk (First Destination data)

Secretariat:

Lorna Kirkwood-Smith, Head, Ext: 3631, Email: L.A.Kirkwood-Smith@hw.ac.uk

Lisa Herlihy, Assistant to the Secretariat, Ext: 3738, Email: L.Herlihy@hw.ac.uk

Student Recruitment:

Michael Bates, Director, Ext: 3450, Email: M.Bates@hw.ac.uk (Recruitment and Admissions data)

Edinburgh Business School:

Adrian Carberry, Administration Manager, Ext: 3938, Email: A.Carberry@hw.ac.uk

HERIOT-WATT UNIVERSITY: PROFILE AT A GLANCE

Founded: 1821. Granted university status by Royal Charter in 1966.

Campus Locations: Edinburgh, Galashiels, Orkney, Dubai, Malaysia

The University's main Edinburgh campus comprises 380 acres of parkland and incorporates the Edinburgh Research Park established in 1971 as the first science park of its kind in the UK. Around 40 companies are currently based on the Research Park. The University's Scottish Borders Campus at Netherdale in Galashiels is home to the School of Textiles and Design. The Campus is shared with Scottish Borders College.

The University's International Centre for Island Technology based in Stromness, Orkney Islands (Orkney Campus), is part of the University's School of Energy, Geoscience, Infrastructure, and Society. The Centre concentrates on renewable energy, particularly marine energy.

In 2011 Heriot-Watt University won a major international tender to establish a new purpose-built University Campus in Putrajaya, Malaysia. The Heriot-Watt Malaysia Campus will create opportunities for up to 4,000 undergraduate and postgraduate students to study degree-level programmes in science, business, engineering, mathematics and design. Student numbers have been growing rapidly since the first student enrolments early in 2013. The new campus building was formally opened in autumn 2014.

Student population:

On-campus (Edinburgh, Orkney):-

- 6,091 undergraduate (including exchange and visiting students)
- 1,385 postgraduate taught course
- 826 postgraduate research

On-campus (Scottish Borders Campus)

- 550 undergraduate (including exchange and visiting students)
- 17 postgraduate taught course
- 18 postgraduate research

On-campus (Dubai)

- 2,468 undergraduate
- 1,126 postgraduate taught course
- 6 postgraduate research

On-campus (Malaysia)

- 724 undergraduate
- 194 postgraduate taught course

One-third of the University's on-campus students studying in Scotland are from outside of the UK, making Heriot-Watt one of the most internationally diversified of any UK universities.

Transnational programmes (independent study in 150 countries worldwide or through a network of 53 Approved Learning Partners (ALPs) and collaborative partners. In HESA reporting year ending 31 July 2015 there were:

- 7,650 active matriculated ALP students
- 4,783 active matriculated independent (distance learning) students
- Including all active students (registered or not yet registered for full degree programmes) a population of more than 18,000 transnational programme students.

Staff population: Total: 2,141 (headcount) of which:-

On-campus (Scottish Campuses):-

- 556 academic staff
- 235 research staff
- 1,151 staff in all other categories

On-campus (Dubai Campus):-

- 71 academic
- 20 staff in all other categories

On-campus (Malaysia Campus):-

- 67 academic staff
- 95 staff in all other categories

STUDENT NUMBERS (ON-CAMPUS IN SCOTLAND): 2013/14 - 2015/16

UNDERGRADUATE students by attendance level and gender

Percentages are expressed as a proportion of the non-UK total.

Top 10 domiciles by population size are highlighted in each year prior to 2015/16.

UK dependent countries are not included.

*Including any French dependencies.

Grouped 'other' data by continent is reported for 2014/15 and earlier years in the relevant annual publications for each year.

Inclusions/exclusions detailed on page 5 apply. Note that total non-UK numbers in this report will not match exactly those indicated on page 5 which assigns students to 'other EU' and 'overseas' categories on the basis of the 'fees status' assigned to the student.

Top 10 domiciles by population size (on-campus students studying in Scotland): trends 2010/11 - 2015/16

Notes: ALP = Study with an Approved Learning Partner IDL = Study by independent distance learning.
Student numbers include students registered on degree courses who were active in the HESA defined reporting year from 1 August 2014 to 31 July 2015.
The above figures do not include a substantial number of students who have commenced study with Edinburgh Business School but who have not yet applied for matriculation to the full degree course.

The census date for graduate first destinations is 6 months following graduation.

'Employed' includes those due to start employment within the next month. 'Other' includes those who are not available for employment because of travel, family commitments, health or other reasons.

Note 1: This is the percentage of those in employment and/or further study as against the aggregated total who are in employment and/or further study or reported as 'seeking'.

Note 2: Graduate Employment is based on the SOC 2000 classification of occupations for studying the graduate labour market (Institute for Employment Research, Warwick).

National Student Survey (NSS) Results by School: 2012-2015

	National Student Survey (NSS) Results by School, 2012-2015																														
	The teaching on my course																														
	1. Staff are good at explaining things.																														
	2. Staff have made the subject interesting.																														
	3. Staff are enthusiastic about what they are teaching.																														
Assessment and feedback																															
5. The criteria used in marking have been clear in advance.																															
6. Assessment arrangements and marking have been fair.																															
7. Feedback on my work has been prompt.																															
8. I have received detailed comments on my work.																															
9. Feedback on my work has helped me clarify things I did not understand.																															
Academic support																															
10. I have received sufficient advice and support with my studies.																															
11. I have been able to contact staff when I needed to.																															
12. Good advice was available when I needed to make study choices.																															
Organisation and management																															
13. The timetable works efficiently as far as my activities are concerned.																															
14. Any changes in the course or teaching have been communicated effectively.																															
15. The course is well organised and is running smoothly.																															
Learning resources																															
16. The library resources and services are good enough for my needs.																															
17. I have been able to access general IT resources when I needed to.																															
18. I have been able to access specialised equipment, facilities or rooms when I needed.																															
Personal development																															
19. The course has helped me to present myself with confidence.																															
20. My communication skills have improved.																															
21. As a result of the course, I feel confident in tackling unfamiliar problems.																															
22. Overall Satisfaction

		Average (22 Questions)																					
		22. Overall Satisfaction																					
		21. As a result of the course, I feel confident in tackling unfamiliar problems.																					
		20. My communication skills have improved.																					
		19. The course has helped me to present myself with confidence.																					
		18. I have been able to access specialised equipment, facilities or rooms when I needed.																					
		17. I have been able to access general IT resources when I needed.																					
		16. The library resources and services are good enough for my needs.																					
		15. The course is well organised and is running smoothly.																					
		14. Any changes in the course or teaching have been communicated effectively.																					
		13. The timetable works efficiently as far as my activities are concerned.																					
		12. Good advice was available when I needed to make study choices.																					
		11. I have received sufficient advice and support with my studies.																					
		10. I have received detailed comments on my work.																					
		9. Feedback on my work has helped me clarify things I did not understand.																					
		8. I have received detailed comments on my work.																					
		7. Feedback on my work has been prompt.																					
		6. Assessment arrangements and marking have been fair.																					
		5. The criteria used in marking have been clear in advance.																					
		4. The course is intellectually stimulating.																					
		3. Staff are enthusiastic about what they are teaching.																					
		2. Staff have made the subject interesting.																					
		1. Staff are good at explaining things.
