In preparation for the event you are invited to please review the following materials:

- A briefing paper on Global Environmental Sustainability and Net Zero from Prof Mercedes Maroto-Valer (attached as Ct8/21/51);
- A briefing on Climate Action from the Committee of University Chairs (attached as Ct8/21/52);
- The University's Global Environmental Sustainability Strategy (which contains a set of commitments which the Court approved in February 2021) (attached as Ct8/21/53);
- [The Hutton Series on Climate Change | Panmure House](#), which brought together a diverse cross-section of speakers in the service of one simple aim: to identify ten key priorities, innovations & actions to mitigate the climate crisis. The declaration and key priorities that emerged are provided on the website as well as the opportunity to view again the presentations and discussions in the Series.
- A talk given in March 2021 (in her previous role) by our recently appointed Pro-Chancellor, Malaysia, Tan Sri Dr Jemilah Mahmood, <https://youtu.be/fbNUk527YXo>
- The three-year Financial Plan 2021-2024 (as approved by the Court in June 2021) (attached as Ct8/21/54).
