

Heriot-Watt University – English Language Entry Requirements for Dubai Campus

As our programmes are taught and assessed in English, applicants must be able to prove their level of English language ability as part of the application process. This should be shown through one of the following means:

1. You are from a majority English speaking country or have completed a qualification equivalent to a UK degree from a majority English speaking country as defined by UK Visas & Immigration (UKVI). [View UKVI Majority English speaking countries](#).
2. You have successfully completed a University qualification we consider equivalent to a UK degree. The qualification was taught at an overseas campus of a university which is based in a country recognised by the UKVI as a majority English speaking country.
3. You have passed one of the following English Language Tests at the levels indicated (we will need to verify the results of the test and as such you will need to upload your original certificate as part of the application process).
4. CEFR is the Common European Framework of Reference for Languages, students must be at the B2 level for university entry – at the lowest level, this is IELTS 5.5 overall with no individual test component lower than 5.0, Alternatively we can make our own assessment from other acceptable qualifications or evidence of previous study in English.
5. The standard requirement for entry to degree level study is a minimum of IELTS 6.0 or equivalent for Undergraduate study, IELTS 6.0 or equivalent for Postgraduate STEM and Design study or IELTS 6.0 with writing at 6.5 or equivalent for Postgraduate non-STEM study.

English Language Test Requirements

Test	Foundation Entry	Undergraduate Entry	PGT (STEM and Design programmes)	PGT (non-STEM programmes)

Postgraduate

1. You have successfully completed a degree from a nonnative English-speaking country but completed the studies in English language. It is the responsibility of the student to provide evidence that the medium of instruction was English throughout the studies.
2. You have successfully completed a degree from a nonnative English-speaking country and completed the studies in a language other than English however you have been working in an English language environment, in these circumstances we will consider a letter from your employer confirming English is the language of the workplace.
3. In this case, your employer must be a verifiable, international company or government agency, the letter must come from your employer's HR department or line manager and the signatory of the letter must be contactable. You must have worked there for a minimum of 6 months.
4. In relation to point (above), where proof of English may be inconclusive or when it is not possible to contact the signatory, the University, at its discretion, reserves the right to ask postgraduate applicants to take an in-house English test or other appropriate assessment to confirm English level.

5. Where proof of English may be inconclusive or when it is not possible to verify the test results, the University, at its discretion, reserves the right to ask applicants to take an in-house English test or other appropriate assessment to confirm English level.
