Welcome to Physics

Dr. Paul Dalgarno
Senior Program Director of Physics
Our courses

- MPhys / BSc Physics
- MPhys / BSc Mathematical Physics
- MPhys / BSc Chemical Physics
- BSc Physics with Professional Education (with Stirling Uni)

- Highers AAAB or ABBBB, with A in Maths or Physics
- A-Levels BBC, with Bs in Physics and Maths
Our Physics community

• 32 Academic staff
• 220 undergraduate students
• Highly research-active Department
  • All academic staff are research active
• Good student-staff ratio (better than 7 to 1)
  • The staff get to know the students
Vibrant, highly active student community: physics society, reading weekends and a student-led high altitude ballooning project
Physics at Heriot-Watt is ranked 8th in the UK for overall satisfaction. National Student Survey (NSS) 2019

We're 2nd in Scotland for Physics & Astronomy.
Learning Environment

Modern, well resourced and interactive learning spaces and teaching labs.
Research and internships

World-leading research groups and facilities, with close integration to undergraduate teaching and internship opportunities.
