What is it?
• Annual survey of final year undergraduates across the UK
• Quick and easy to complete
• All responses are anonymous

How are the results used?
• HWU uses the anonymous results to identify areas where we are doing well and areas for development
• Summaries of the results are published to help prospective students make informed decisions about where and what to study

How can I take part?
You can complete the NSS online by:
• following the link in your email invitation
• going to www.thestudentsurvey.com
• using your smartphone or tablet to scan the NSS QR code
