C47MG German Intermediate 2

COURSE DETAILS
Course Code: C47MG
Full Course Title: German Intermediate 2
SCQF Level: 7
SCAF Credits: 15
Available as Elective: Yes

DELIVERY LEVEL
Undergraduate: Yes
Postgraduate Taught: No
Postgraduate Research: No

COURSE AIMS

Text

- To achieve accurate comprehension of written text in the FL.
- To enable conveyance in appropriate and idiomatic English meaning derived from such text.
- To develop the ability to use reference sources effectively.
- To encourage adoption of effective reading strategies to improve comprehension of written FL.
- To introduce various strategies for producing good target text.
- To consolidate and develop the ability to express clearly in English information derived from the source text.
- To foster English competence generally.

Written Composition

- To ensure that students reach a sound level of competence in the production of the written FL which is accurate and appropriate in a variety of given contexts.
- To provide guidance on reference works and their use. To revise and introduce grammar structures. To foster awareness of the need for accuracy in the written FL.

Aural Comprehension
To improve listening comprehension to a level adequate for embarking upon interpreting tasks.
To develop competence in handling spoken language with particular emphasis on listening skills.
To familiarise students with authentic spoken discourse and with formal presentations in spoken FL.
To foster the ability to select information and to summarise spoken discourse.

Spoken

To consolidate and enhance FL oral skills, in terms of fluency, accuracy and quality of expression.
To consolidate and develop existing oral skills to a level which enables students to discuss in FL the topics studied in Year 1.
To develop basic presentational skills in FL.
To encourage students to participate in group discussion of an agreed topic.

LEARNING OUTCOMES – SUBJECT MASTERY

- Express clearly in English information derived from a source FL text.
- Demonstrate knowledge and understanding of grammatical structures of the FL in the production of various types of text.
- Apply various learned modes of expression appropriate to the type of text to be produced and practise these in both routine and non-routine contexts.
- Select and summarise various types of spoken discourse.
- Communicate orally in the FL opinions in group discussions.
- Present in the FL individual opinions to peers.
