“The MBA gave me the flexibility that I needed at the time since the classes were taught during weekends. I am using the concepts that I learned to have a greater impact on the community and also to keep on learning and improving as a person.”

Let’s shape your future together.

For 25 years now we’ve been offering lifelong learning experiences to help better the prospects of people from all walks of life. In that time, we’ve accelerated the careers of over 20,000 graduates.

From working professionals to busy parents, and often those who are both – we’re passionate about bringing out the best in ambitious talent and are proud to welcome people of all cultures, ages and backgrounds.

The Malaysia MBA programme

If you’re looking for a part-time MBA that offers practical ‘real-world’ knowledge and an inspirational environment to learn it in, our Malaysia MBA programme definitely ticks those boxes.

Delivered by highly qualified and experienced British and local faculty who will be by your side throughout your learning journey, we offer the chance to gain a prestigious degree from a British University that’s fully accredited by the Malaysian Qualifications Agency (MQA).

Not only is our state-of-the-art campus in Putrajaya a stimulating setting, you’ll also find a thriving network of Edinburgh Business School students, graduates and business professionals there too.

What and when?

If you’re ready to continue your lifelong learning journey with our part-time MBA, you have the choice of beginning in either September or January. The programme takes two years to complete, and each year is split into four academic terms.

This MBA is formed of seven core courses:

• Delivering successful projects
• Developing and executing strategy
• Economics for business
• Financial decision making
• Leadership theory and practice
• People, work and organisations
• Strategic marketing

Each course includes 48 hours of tutored teaching, including a two-day revision seminar, while the rest of the time will comprise of independent study (around 200 hours per course).

In addition, you’ll also take two of your choice (these include on-campus and self-study options) or complete an end-of-year project. See the list in full at ebsglobal.net/mbaelectives
