

University Committee for Research and Innovation

TERMS OF REFERENCE

APPROVED BY UCRI ON 11 SEPTEMBER 2019

1. Establishment

- a) The University Committee for Research and Innovation is established as a Committee of the Senate¹, and reports jointly to the University Executive (UE).
- b) The Court has delegated to the Senate all of its powers in relation to academic work and standards so that, subject to the terms of the [Charter and the Statutes](#) and to the powers reserved to the Court, the Senate is the principal body responsible for the academic work and standards of the University and in relation to:
 - programmes of study;
 - teaching and research;
 - the granting of awards; and
 - the regulation and stewardship of the education and discipline of the Students.
- c) The Senate reports to the Court on the discharging of these responsibilities.
- d) Statute 5.4(b) permits the Senate to delegate any of its powers to any Committee which contains at least three of its members (at least one of whom should be an ex officio member of the Senate).
- e) Ordinance C4 permits the Senate to establish standing committees and to prescribe the terms of reference, including the remit and composition.
- f) An operating principle of this Committee is that when a decision is required in relation to the exercising of delegated powers of the Senate, those persons present who are not Senators shall be invited to abstain from voting.
- g) The University Executive (UE) is established by the Principal and Vice-Chancellor, with the endorsement of the Court, as the primary management body of the University. The UE reports to the Court on the discharging of its responsibilities.
- h) The work of the UE is supported by contributions from groups, boards and committees, and it may delegate elements of review and decision-making authority to groups, boards and committees.

2. Reporting

To reflect the joint reporting arrangement, the Committee reports:

- a) **to both the UE and the Senate** on matters of strategy and policy as defined in its remit.
- b) to the **Senate** on specifically **academic governance** matters, such as Regulations (as the Senate is the primary academic body of the University).
- c) to the **UE** on specifically **executive** matters, such as those relating to staffing, material and other resources (as the UE is the primary management body of the University).

¹ from 1 August 2017 (Senate Minute M17/046)

3. Purpose

The purpose of the University Committee for Research and Innovation is to provide institutional-level leadership in the development and implementation of the **academic vision and mission** for **Research and Innovation** in support of the University's Strategic Plan.

In this context Research and Innovation is taken to include: research activities of academic staff, the supervision of students registered for research degrees, enterprise activities, business engagement and public engagement.

4. Remit

Note: The Senate agreed (17 May 2017) that the proposed delegated responsibilities of UCRI that currently are discharged by the Postgraduate Studies Committee (PSC) continue to be discharged by the PSC as an interim measure until such time as the Senate can be satisfied that those responsibilities can safely be discharged in the new committee structure.

The specific delegated responsibilities with respect to research degree programmes and higher doctorates, which are to be retained for the time being by the Postgraduate Studies Committee, relate to:

- a) considering and approving the granting of awards with respect to research degree programmes and higher doctorates;*
- b) considering and approving the granting of changes to periods of study for research and higher degree Students;*
- c) approving, amending, or revoking the appointment of internal and external examiners;*
- d) considering and approving the academic conditions associated with the establishing, modifying, or withdrawing of research degree programmes*
- e) considering and approving the academic conditions associated with the establishment, management, or termination of external academic partnerships for the delivery of research degree programmes.*

The Senate² and UE delegate authority to the University Committee for Research and Innovation to:

1. develop, recommend, monitor the implementation of, and report on the Research and Innovation Strategy including to:

³ A change to the Statute shall be proposed in due course to govern this situation

- d2) when the committee is required to vote on a matter that is solely under the purview of the University Executive, then only those persons who are members because of their executive positions shall be eligible to vote.
- e) The Chair shall rule on instances where a vote is required, and whether any matter under consideration pertains to the exercising of delegated powers of the Senate, or whether a matter is solely under the purview of the University Executive.
- f) A person invited to be 'in attendance' at one or more meetings of the Committee is not entitled to vote.
- g) The Chair has a deliberative vote and a casting vote.

9. Attendance at meetings

- a) The Committee may co-opt members as appropriate for a specified period of time, and report such co-options to the Senate and the UE at the earliest opportunity.
- b) In addition to the members, and those normally 'in attendance', other colleagues may from time to time be invited to attend meetings on an ad-hoc basis for particular agenda items, and invited to contribute to discussions at the discretion of the Chair.
- c) The Committee maintains a record of attendance at each of its meetings and reports this information in accordance with the Attendance Policy.

10. Forward Planning

- a) The Committee maintains a list of Standing Agenda Items and an annual schedule of activities.
- b) The Committee sets dates for its ordinary meetings two years in advance.
- c) As part of its annual year-end self-assessment, the Committee reviews its performance in fulfilling its Remit, and considers possible modifications to its Terms of Reference. This also gives opportunity to review the Composition (including the gender balance of its membership, and the opportunity to receive contributions from the University's different campuses), and to submit recommendations as appropriate to the Senate and to the UE.

11. Principles of Operation

In fulfilling its terms of reference, the Committee shall follow the principles as agreed by the Senate to enhance academic governance seeking:

- a) closer alignment between the decision-making structure and the University's strategic objectives, to ensure that the decision making structures are fit for the delivery of the strategy;
- b) a more efficient approach to the decision making process, leading to clearer lines of reporting and accountability, a reduction in time taken to reach business-critical decisions, and high quality outcomes;
- c) main committees should focus on matters of strategy and policy, with operational matters being dealt with by the relevant colleagues in consultation with ad hoc working groups as required;
- d) minimisation of business considered by numerous different groups and with appropriate accountability for decisions taken;
- e) an assumption that decisions will be reached by consensus wherever possible;
- f) an assumption that each Committee will address business internationally;
- g) appropriate delineation between governance and management;
- h) the papers coming forward to committees should contain clear, evidence-based proposals for consideration;
- i) greater use should be made of IT facilities to reduce the amount of paper being circulated, with members of committees and others being able to access committee papers on a local intranet with appropriate access authorisation; and
- j) effective communication of decisions to all relevant parties throughout the University.

12. Sub-committees and Short-life working groups of the Committee

The Committee is empowered to create such sub-committees and short-life working groups as are necessary to fulfil its responsibilities.

It is anticipated that this Committee will have three sub-committees (Terms of Reference for each to be confirmed in due course):

i. **Research Ethics Committee**

Ethical standards in the conduct of research in the University are the responsibility of the University Research Ethics Committee, and of School and Institute sub-committees, whose work it oversees.

ii. **Research Degrees Committee**

This is to be a co-ordinating body for the oversight of all PGR matters across the University. This body will make an annual report to the Committee for Quality and Standards regarding research programmes of study.

iii. **Research Management Committee (Malaysia)**

This is a co-ordinating body for oversight of all Research matters at the Malaysia Campus and supports the work of the Director of Research (Malaysia).

iv. **School Research Committees**

School research committees report via minutes of meetings to the University Committee for Research and Innovation.

13. Frequency of meetings

- a) The Committee normally meets five times each Academic Year in advance of Senate meetings.
- b) The Chair of the Committee may choose to hold periodic strategy days consistent with the strategic function of the Committee.
- c) Additional meetings (including meetings held in conjunction with other bodies) may be required – with the approval by the Chair – for more detailed consideration of particular items.
- d) Changes to arrangements, such as cancellation, rescheduling or additional meetings will be notified to members by the Clerk as soon as possible, and normally within not less than five working days of the scheduled meeting date.

14. Lifespan and Effectiveness of the Committee

This is an established Committee of the Senate and its lifespan is ongoing.

An annual year-end self-assessment is conducted, with a formal review of effectiveness every five years.

15. Actions that may be taken by the Committee

The Committee may:

- | | |
|------------|-------------|
| • Approve | • Endorse |
| • Note | • Recommend |
| • Receive | • Reject |
| • Consider | • Ratify |

16. Minutes

- a) Minutes of each meeting are distributed to members within two weeks of the meeting. The Chair approves the content of minutes before release.
- b) The minutes are presented to the next ordinary meeting of the Senate and to the next business meeting of the UE, with any matters for consideration and/or approval highlighted in a cover paper.
- c) The Committee's agenda and minutes are published on the University Intranet
- d) Agendas, minutes and papers are held electronically by the Clerk to the Committee.
- e) The Committee has traditional/formal minutes in accordance with internal University guidance on style, and requirements regarding Data Protection and Freedom of Information legislation.

- f) The agendas, papers and minutes for all meetings should be copied to the Head of Heritage and Information Governance for archiving purposes.
