• consistently demonstrate our highest standards of professionalism and commitment to providing an excellent service to our colleagues, students and external stakeholders
• operate objectively, with empathy and integrity
• adopt a team approach, working collaboratively and supporting others, within the Team and across the wider University
• learn from experience and strive to continually develop and improve
• support and promote the five Heriot-Watt values – Valuing and Respecting Everyone; Pursuing Excellence; Pride and Belonging; Shaping the Future; Outward Looking.
