1. Go to Discovery at https://discovery.hw.ac.uk

2. Change “Heriot-Watt Resources” to your campus.

3. Type in some words from the information about your book. (You could include the year of publication here to quickly narrow down your results.)

4. Click on the magnifying glass to search.

5. If you want a print book, you can remove eBooks from your results by clicking on the campus library limiter (at the left of the results list): this limiter shows print books only.
6 Click on the title of your book.

There may be multiple editions of the book. Check the dates to make sure you are looking at the correct edition.

7 Click on the correct edition of the book, and then scroll down to the “Find in Library” section.

8 “Item in place” means the book is in the library, ready for use.

If there is more than one copy of the book you might see a different screen listing each copy, similar to this:
9 Take a note of the book’s location and class mark to find the book on the library shelves.
