Searching Nexis

Nexis provides full text access to UK and international newspapers and trade press, with foreign language news sources in over 26 languages. It also provides:

- Full text access to The Financial Times (30 day embargo)
- Company and industry information from Extel Cards, Hoover’s profiles, ICC Financial Analysis Reports and Worldscope.
- Economic and political profiles for countries.
- Biographical information including Debrett's People of Today and Who's Who

1 Go to Databases A-Z at http://isguides.hw.ac.uk/az.php

2 Select Nexis from the A-Z list of databases. If accessing off-campus you will be prompted to login with your Heriot-Watt username and password.

3 Enter search terms, select time period and sources.
4 Use the left menu to filter the results by e.g. source type, publication, language etc.
