Searching Nexis (specific title)

Nexis provides full text access to UK and international newspapers and trade press, with foreign language news sources in over 26 languages. The following instructions explain how to access articles from a specific publication.

1. Go to ‘Find Resources’ at [https://www.hw.ac.uk/is/find-resources.htm](https://www.hw.ac.uk/is/find-resources.htm) And select the ‘Discovery’ link.

2. Select ‘Journals A-Z’ from the horizontal top bar.

3. Type in the title you wish to access and click search.

4. Select ‘Full text available’ link.

5. Select Nexis UK.

6. Your title should be automatically selected. Enter search term/topic and date range.
