

NOTE ON DETECTION OF PLAGIARISM

Heriot Watt University may require student work to be submitted for checking using plagiarism detection software. This is intended to assist students in identifying possible plagiarism in coursework being submitted for assessment which could otherwise result in disciplinary action being taken against students by the University in accordance with Regulation 50 (Student Discipline).

Further information on plagiarism and how to avoid it is provided in the University's Student Guidance on Plagiarism available from the Learning and Teaching Policy Bank at the following address:
