UK Trade Union Facility Time Reporting for the period April 2021 to March 2022

1. **Statutory Requirement**
   Under Section 13 of the Trade Union Act 2016 and The Trade Union (Facility Time Publication Requirements) Regulations 2017, relevant employers (including HEIs) have to collate and publish, on an annual basis, a range of data on the amount and cost of facility time within their organisation.

   The purpose of these regulations is to promote transparency and allow for public scrutiny of facility time. Employers are required to publish data in four tables (outlined in Schedule 2 of the Regulations) as detailed in the table set out below.

2. **Recognition at Heriot-Watt**
   The University recognises the following unions: University and College Union (UCU), Unison, Unite and EIS.

   Union representatives have a statutory right to reasonable time off for trade union duties and for trade union activities. Whilst these rights allow for a reasonable level of paid time off for trade union duties, this does not extend to paid time off for trade union activities. The University has Terms of Reference which set out the formal framework of the Combined Joint Consultation and Negotiation Committee (CJNCC) and its approach to dispute resolution. Facility time is the provision of paid or unpaid time off from an employee’s normal role to undertake Trade Union duties and activities as a Trade Union representative.

   At the start of the 2021-22 HWU Financial year, paid facility time was formally granted as 2.6 FTE for UCU, Unite and Unison, to be allocated across individuals as each union felt appropriate.

   It is recognised that TU Reps also carry out unpaid work as part of their TU activities, but this return reflects the allocation and cost of paid facility time.

3. **Heriot-Watt Statutory Return**
   The reporting year follows the Government Financial Year of April-March, whereas our Facility Time is allocated on the Heriot-Watt University Financial Year of August-July. Therefore the figures on the statutory return reflect a blend of two Heriot-Watt Financial Years.
