1. **Statutory Requirement**
   Under Section 13 of the Trade Union Act 2016 and The Trade Union (Facility Time Publication Requirements) Regulations 2017, relevant employers (including HEIs) have to collate and publish, on an annual basis, a range of data on the amount and cost of facility time within their organisation.

   The purpose of these regulations is to promote transparency and allow for public scrutiny of facility time. Employers are required to publish data in four tables (outlined in Schedule 2 of the Regulations) as detailed in the table set out below.

2. **Recognition at Heriot-Watt**
   The University recognises the following unions: University and College Union (UCU), Unison, Unite and EIS.

   Union representatives have a statutory right to reasonable time off for trade union duties and for trade union activities. Whilst these rights allow for a reasonable level of paid time off for trade union duties, this does not extend to paid time off for trade union activities. The University has Terms of Reference which set out the formal framework of the Combined Joint Consultation and Negotiation Committee (CJNCC) and its approach to dispute resolution. Facility time is the provision of paid or unpaid time off from an employee’s normal role to undertake Trade Union duties and activities as a Trade Union representative.

   At the start of the 2020-21 HW Financial year, paid facility time was formally granted as FTE for UCU, Unite and Unison, to be allocated across individuals as each union felt appropriate. The amount of paid Facility Time allocated was in recognition of the important role Union Representatives had in working with management in relation to responding to the impact of the Covid pandemic and the change management programme which required additional regular meetings and representation in formal consultation.

   This allocation has been approved unchanged for the 2021-22 year and will be reviewed towards the end of next year.

   It is recognised that TU Reps also carry out unpaid work in as part of their TU activities, but this return reflects the allocation and cost of paid facility time.

3. **Heriot-Watt Statutory Return**
