HELP WITH DIGIMAP

ACCESSING DIGIMAP

1. Access Digimap via our A-Z databases list at <http://isguides.hw.ac.uk/databases/>:
 - Click on "D", then click on Digimap

OR

2. Access the resource directly using the link <http://edina.ac.uk/digimap/>

LOGGING IN TO DIGIMAP

When you access the Digimap web-page, you will see the pop up screen below:

1. Click the "Login via UK federation" button. You will then see the following screen:

Online maps and spatial data of Great Britain

Which organisation would you like to sign in with?

Start typing the name of your organisation (e.g. Anywhere College) in the search box, and options will appear below:

[Need help logging in?](#)
or [Let me choose from a list](#)

The UK Access Management Federation
[Accessibility statement](#) [Privacy and Cookies Policy](#)

Search over [All Sites](#)

- In the box type "**Heriot-Watt University**" (as above) and then click "**Continue**", you will then see the screen below:

Heriot-Watt University
Single sign-on

This page allows login to Heriot-Watt single sign on, this will give you access to the Vision virtual learning environment and other services using your normal Heriot-Watt username and password.

1. Click on the "**Register/Activate**" link on the top right corner of the screen, and then complete the web registration form (show below):

EDINA Digimap: Web registration

Please note that your use of Digimap will be logged by EDINA.

TERMS OF USE

I am an Authorised User at an Institution engaged in teaching or academic research, hereafter referred to as 'my Institution', which subscribes to one or more Collections within EDINA Digimap. Please check the definition of Authorised User for each Collection:

- Ordnance Survey Collection (Variation Agreement 2009/10)
- BGS Collection (Geology Digimap)
- SeaZone Collection (Marine Digimap)
- Environment Collection (Environment Digimap)

I agree to my personal data being stored by EDINA in accordance with the current Data Protection Act for the purpose of controlling access to Digimap Collections, monitoring use of the services, and ensuring data security. My Personal data will be shared with staff at my institution for system monitoring and management. My personal data will not be supplied to other third parties except in cases of suspected misuse of EDINA Digimap or any data offered therein, when information may be passed to the Ordnance Survey, British Geological Survey, SeaZone Solutions, Centre for Ecology and Hydrology (CEH) and to JISC Collections and HEFCE. I understand that my use of Digimap and the data offered through Digimap will be logged and these records will be kept for a period of five years. I also understand that information about my use of Digimap and any data available through Digimap may be passed to the Licensors of the data, JISC Collections and HEFCE, and staff at my institution to ensure data security and for the purposes of system monitoring.

I acknowledge that I have read, understood and agree to abide by the terms of the Agreement for the Collections for which I wish to register. These can be found at: [licence index page](#) [opens in new window]

I acknowledge and agree that the maps and data provided through Digimap are protected by copyright, and that their use is subject to limitations described in the Agreements relevant to each data Collection at: [licence index page](#). I will ensure that any data I store on a network-accessible server, or any other machine to which non Authorised Users may have access, will only be accessible to those who are Authorised Users of those data.

By agreeing to register for the Digimap Collections you are also agreeing to be joined to the digimap-announce@jiscmail.ac.uk mailing list. This process is done automatically when you register. Only EDINA is permitted to send email to this list, and email to the list will only be important announcements relating to the Digimap service. EDINA STRONGLY recommend that you do not opt out of this list. EDINA also advise you to join the digimap-forum@jiscmail.ac.uk email discussion group which will help you to keep in touch with other users. Your use of Digimap will be logged by EDINA.

To start the registration process please click the continue button below. Please check the registration form is completed correctly and print the final page for your records.

Should you encounter any problems with the registration process please contact the EDINA Helpdesk at edina@ed.ac.uk or on +44 (0)131 650 3302

[Continue](#)

Note: Registration can take up to 2 working days.

HELP USING DIGIMAP

The Digimap Resource Centre is at <http://digimap.edina.ac.uk/webhelp/resources/index.html>. Here you will find:

- PDF guides
- Training exercises with geospatial data
- Links to powerpoint slides, videos and webinars and much more!
