The changes to the Ordinance can be summarised as:

### ORDINANCE Q1: FORMATION OF NEW COMPANIES

---

Ordinance Q1 was approved on the recommendation of the Senate, the Ordinances and Regulations Committee and the University Committee for Research and Innovation. Ordinance Q1 codifies and replaces the current provision of Regulation 42, which will now be rescinded, as it was considered more appropriate for the creation of companies to be governed in an Ordinance. The new Ordinance contains little substantive change from the current Regulation, except that it references the content of the new Intellectual Property Policy, which the Court approved in June 2021.
