c) In the absence of both the Chair and the Vice-Chair from any given meeting, those members present shall appoint one of their number as Chair for that particular meeting.

### 7. Equality and Diversity in Membership

The Committee exercises its responsibility, as far as possible, to promote diversity of representation within its membership and the membership of any working group or committee established by the Committee. The Committee will also act, in carrying out the business of the Committee, to promote equality of opportunity for all.

### 8. Quorum and Voting

a) The quorum necessary to transact business is **five** members, at least two of whom must be members of Senate, and at least three of whom must be School staff (Senate appointed or School nominated). In accordance with Statute Five, paragraph 4(b), the quorum of any Committee of the Senate exercising delegated powers shall include at least two members of the Senate.

b) Members who are participating in a meeting by means of audio-visual conferencing or other means enabling them to speak with and be heard by all members present at the meeting simultaneously shall be deemed to be present at the meeting and to count towards the quorum.

c) Normal practice is that wherever possible decisions shall be reached through consensus.

d) All members of the Committee are entitled to vote in any vote of the Committee except:

   c1) when the Committee is required to vote on the exercising of delegated powers of the Senate, those persons present who are not Senators shall be invited to abstain from voting.4

   c2) when the committee is required to vote on a matter that is solely under the purview of the University Executive, then only those persons who are members because of their executive positions shall be eligible to vote.

e) The Chair shall rule on instances where a vote is required, and whether any matter under consideration pertains to the exercising of delegated powers of the Senate, or whether a matter is solely under the purview of the University Executive.

f) A person invited to be ‘in attendance’ at one or more meetings of the Committee is not entitled to vote.

g) The Chair has a deliberative vote and a casting vote.

### 9. Attendance at meetings

a) The Committee may co-opt members as appropriate for a specified period of time and report such co-options to the Senate at the earliest opportunity.

---

4 A change to the Statute shall be proposed in due course to govern this situation.
b) In addition to the members, and those normally ‘in attendance’, other colleagues may at the discretion of the Chair be invited to attend meetings on an ad-hoc basis for particular agenda items, and to contribute to discussions at the discretion of the Chair.

c) The Committee maintains a record of attendance at each of its meetings and reports this information in accordance with the Attendance Policy.

10. Forward Planning

a) The Committee maintains a list of Standing Agenda Items and an annual schedule of activities.

b) The Committee sets dates for its ordinary meetings two years in advance.

c) As part of its annual year-end self-assessment, the Committee reviews its performance in fulfilling its Remit, and considers possible modifications to its Terms of Reference. This also gives opportunity to review the Composition (including the gender balance of its membership, and the opportunity to receive contributions from the University’s different campuses), and to submit recommendations as appropriate to the Senate.

11. Principles of Operation

In fulfilling its terms of reference, the Committee shall follow the principles as agreed by the Senate to enhance academic governance seeking:

a) closer alignment between the decision-making structure and the University’s strategic objectives, to ensure that the decision making structures are fit for the delivery of the strategy;

b) a more efficient approach to the decision making process, leading to clearer lines of reporting and accountability, a reduction in time taken to reach business-critical decisions, and high quality outcomes;

c) main committees should focus on matters of strategy and policy, with operational matters being dealt with by the relevant colleagues in consultation with ad hoc working groups as required;

d) minimisation of business considered by numerous different groups and with appropriate accountability for decisions taken;

e) an assumption that decisions will be reached by consensus wherever possible;

f) an assumption that each Committee will address business internationally;

g) appropriate delineation between governance and management;

h) the papers coming forward to committees should contain clear, evidence-based proposals for consideration;

i) greater use should be made of IT facilities to reduce the amount of paper being circulated, with members of committees and others being able to access committee papers on a local intranet with appropriate access authorisation; and

j) effective communication of decisions to all relevant parties throughout the University.

12. Sub-committees and Short-life working groups of the Committee

The Committee is empowered to create such sub-committees and short-life working groups as are necessary to fulfil its responsibilities.

It is anticipated that this Committee will have one sub-committee:

- The Studies Committee

13. Frequency of meetings

a) The Committee normally has five ordinary meetings each Academic Year in advance of Senate meetings.

b) The Chair of the Committee may choose to hold periodic strategy days consistent with the strategic function of the Committee.

d) Changes to arrangements, such as cancellation, rescheduling or additional meetings will be notified to members by the Clerk as soon as possible, and normally within not less than five working days of the scheduled meeting date.

14. Lifespan and Effectiveness of the Committee

This is an established Committee of the Senate and its lifespan is ongoing.
An annual year-end self-assessment is conducted, with a formal review of effectiveness every five years.

d) Agendas, minutes and papers are held electronically by the Clerk to the Committee.
