Heriot-Watt University Court

RESPONSIBILITIES OF THE COURT AND SCHEDULE OF DELEGATION

1. Background

The Scottish Code of Good Higher Education Governance requires institutions to establish a Schedule of Delegation which defines authority delegated by the governing body; in the case of Heriot-Watt University, this is the Court. The following provides information about the responsibilities and powers of the Court and describes the means through which the Court delegates authority and the bodies involved.

2. The Court

The University Charter and Statutes prescribe the powers and authority of the Court. Statute 4: The Court describes the powers and functions of the Court in detail.

In addition, the Court has published its Statement of Primary Responsibilities in compliance with the Scottish Code of Good Higher Education Governance.

The University’s Charter prescribes that there shall be a Senate, and that, subject to the terms of the Charter and the Statutes and to the powers reserved to the Court, the Court delegates to the Senate all of its powers in relation to (a) academic work and standards so that the Senate is the body responsible for the academic work and standards of the University, (b) Programmes of Study, (c) teaching and research, and (d) the regulation and superintendence of the education and discipline of the Students. The delegation requires that the Senate takes such measures and acts in such manner as shall appear to it best calculated to promote the interests of the University and/or any member of the Heriot-Watt Group as places of education, learning and teaching, research, knowledge exchange and scholarship. The powers and functions of the Senate are prescribed in more details in Statute 5: The Senate.

The Court receives reports from the Senate at each of its ordinary business meetings and is responsible for ensuring that the Senate undertakes its own annual reviews of the effectiveness of the Senate and a full five-yearly externally facilitated effectiveness review. The Court receives reports of the outcomes of all effectiveness reviews.

11. Delegation to Heriot-Watt University Dubai and Wholly Owned Subsidiary Companies

Heriot-Watt University Dubai
1. Under the licensing regulations of the Dubai Development Authority (DDA) a foreign university may only take the form of a branch office. Entities registered with the DDA are governed by the Dubai Creative Clusters Companies Regulations 2016. A branch office is an extension of its parent overseas company and is not a separate legal entity. Therefore, the parent company remains liable for the branch’s obligations.

2. Branch offices in the DDA must have an authorised representative and under the Dubai Creative Clusters Companies Regulations 2016 a foreign company is required to provide a Power of Attorney in favour of the authorised representative (the Provost and Vice-Principal Dubai).

3. The nature and extent of the powers delegated by the Court to the Provost and Vice-Principal Dubai are set out in the Power of Attorney.

Heriot-Watt University Malaysia
1. Heriot-Watt University Malaysia Sdn. Bhd. is a company duly incorporated in Malaysia (company number 967 165-K). The University is the sole shareholder. By a Shareholder Agreement dated 27th September 2012 (the Agreement), the parties have set out the terms governing their relationship.

2. No action or decision relating to any of the Prescribed Matters (set out in The Schedule to the Agreement) can be taken by the Company without prior consultation with the University. If any provision in the Agreement conflicts with or limits the delegations set out in Ordinance B6, then this Ordinance shall prevail as between the parties.

Heriot-Watt Services Ltd (Oriam)
1. Heriot-Watt Services Ltd is a private limited company (company number SC271030). The University is the sole shareholder.

2. The Directors Powers and Responsibilities and the Shareholder’s Reserve Power are set out in the Articles of Association (dated 4th March 2015).

Heriot-Watt Trading Ltd
1. Heriot-Watt Trading Ltd is a private limited company (company number SC 132919). The University is the sole shareholder.

2. The Directors Powers and Responsibilities are set out in the Memorandum and Articles of Association (dated 8th July 1991).

12. Delegations prescribed in the Financial Regulations

The Court approves the University’s Financial Regulations, and in so doing expressly approves any and all sub-delegations contained therein. The Court also approves the University’s Treasury Management Policy which sets out a strategy and policies for cash management, long-term investments and borrowings. The Global Chief Financial Officer has delegated responsibility by the Court for implementing and monitoring treasury management policies and practices and the execution and administration of treasury management decisions.

Remuneration policy
The Remuneration Committee with delegated authority from the Court will determine salaries and other benefits for senior management.

Budgetary controls
The Financial Regulations set out the limits of the value of expenditure that may be made by authorised Budget Officers and allows for schemes of delegation for expenditure below that level. The senior global finance director is responsible for ensuring that all delegated authorities are properly recorded in the University’s e-procurement system.

Authorisation of purchase orders and contracts
The Financial Regulations direct the delegated authorisations in place (individuals/bodies) for purchase orders and contracts. Purchase orders and contracts between the value of £500,001 and £5,000,000 require the prior minuted approval of the Finance Committee. Purchase orders and contracts above the value of £5,000,000 require the prior minuted approval of the Finance Committee and of the Court. Where expenditure commitments are established that commit beyond the Financial Year in which they are entered, the value of the commitment across financial years shall be aggregated when applying these limits.
The Chair of Court or the Chair of the Finance Committee may escalate any purchase order or contract above the value of £500,000 to the Court for approval if they feel that there are issues arising that sit outwith the University's Risk Appetite, need to be tolerated, and should be considered by the Court. These could be related to the potential partner (reputational and compliance risks, concerns regarding sources of funding); location of a potential partner (reputational or geopolitical risks including possible sanctions or travel bans); the subject matter of the proposed agreement (reputational risk e.g. oil and gas). The Chair(s) may also escalate where it is deemed that the Court would benefit from a further discussion of the strategic imperative that has led to this contract being prioritised over other projects. This list is not intended to be exhaustive but to provide guidance as to when an escalation may be appropriate.

**Authorisation of capital expenditure projects**

The Financial Regulations direct the delegated authorisations in place (individuals/bodies) for capital expenditure projects. Although a proposed capital expenditure project may have been included in the capital expenditure programme approved by the Court or in the Estates Strategy, such inclusion does not constitute approval for its commencement. Specific written approval for the commencement of capital expenditure projects that have been included in the Court approved Capital Plan in Scotland and Dubai will be in accordance with the following schedule:

i. £1,000,000 - £5,000,000: with the prior minuted approval of the Finance Committee;

ii. over £5,000,000: with the prior minuted approval of the Court.

Where a capital project is promoted that wasn’t included in the Court Approved Capital Plan then approval will follow the limits above and will be reported for noting to Finance Committee where approved by University Executive and to Court where approved by Finance Committee.

**Budget Management**

Any variances over £500K need to be referred to the senior global finance director who will report to the University Executive and over £1M reported to the Finance Committee. Any expenditure out with the agreed revenue and capital budgets with a value between £1M and £5M must be approved by the Finance Committee. Any expenditure out with agreed budgets more than £5M must be approved by Court. As delegated by Court, Finance Committee must approve additional expenditure on approved projects within a tolerance threshold of up to the lower of 10% or £1m. Approval for additional expenditure more than the tolerance threshold must be approved by Court.

**Land, buildings, plant or equipment**

A Real Estate Transaction must only take place with the authorisation of the Court. Funding body consent may also be required if exchequer funds were involved in the acquisition of the asset. Court has delegated its authority to Finance Committee to approve the disposal, sale or leasing of University Assets with a market value of between £1m and £5m and to University Executive for values of less than £1m. Above £5m specific approval of Court is required.

**Lease of land, property, plant or equipment**

Where the university leases assets that would otherwise have met the definition of a capital expenditure, in preference to creating or purchasing them, the same provisions for programming, approving and monitoring shall apply as if this was a capital expenditure. The capital value will be calculated to be the sum of all committed payments over the terms of the lease, including any period of permitted extension. Where such value is greater than £1m, approval will be sought from Infrastructure Management Committee prior to transmission to Finance Committee.

**Spin-Outs**

The decision surrounding the creation, investment in and disposal of spin-out companies are overseen by the Deputy Principal (Enterprise and Business). Written approval for such will be given by the University Executive and, where the investment or disposal value exceeds £1m, Finance Committee.

**Debt Write-Off**

The following additional authority shall be required for the write-off of debts in Scotland and Dubai with the following value:
- **£100,001 - £250,000**: the Budget Officer and the Principal and either the Vice Principal or the COO and with the prior minuted approval of the Finance Committee (unless the Principal and Chair of that Committee agrees to this requirement being waived in instances where urgent action is required);

- **over £250,001**: the Budget Officer and the Principal and with the prior minuted approval of the Finance Committee and Court (unless the Chair of the Court agrees to this requirement being waived in instances where urgent action is required).
