EPS - COURSE REGISTRATION SELECTION GUIDE

Please use this guide to find your programme and identify the courses you need to register for:

Contents
BEng Chemical Engineering.................................................................................................................3
BEng Electrical & Electronic Engineering ..........................................................................................5
BEng Robotics, Autonomous & Interactive Systems............................................................................7
BEng Mechanical Engineering..............................................................................................................9
BEng Mechanical Engineering & Energy Engineering ..........................................................................11
BEng Automotive Engineering ...........................................................................................................13
**2021-22 Academic Year**

**Due to COVID-19 and evolving regulatory requirement, dates are subject to change**

BEng Mechanical Engineering & Energy Engineering

Programme Name: BEng Mechanical Engineering & Energy Engineering
Programme Code: B542-MEE
Mode of Study: FULL TIME
8 mandatory taught courses in year 1, year 2 & Year 3
For year 4, 7 mandatory courses and 1 optional course
