SCHOOL OF ENGINEERING AND PHYSICAL SCIENCES
Heriot-Watt University, Dubai

September 2022 PG Intake Induction Schedule

Advanced Mechanical Engineering, MSc
Energy, MSc
Renewable Energy Engineering, MSc
Robotics, MSc
Global Sustainability Engineering, MSc

The information overleaf provides the Programme schedule, including other details of the various events and student activities held during the Welcome Week.

The induction sites are available through Canvas – here you will find a comprehensive overview of information relating to your programme and campus information. You can access Canvas by going to your student portal and clicking on the Canvas VLE tile.

Please check the website regularly for the most updated version of the schedule as it may be subject to change. The Programme published here is based on the best available information at the time of printing and is subject to changes. Therefore, please ensure you check back regularly to see any updates.

For assistance, please contact log into your student portal and log an enquiry through “ask HWU” for the fastest response.

Induction Schedule

Below is your induction schedule for your programme, student council activities and also support services available to you throughout your time studying with us.

Where a room number is provided, the expectation is that you attend the session in person. If through unavoidable circumstances you are unable to attend, please join via the link.
